Training Exercise Scheduled

On Friday September 16, 2011, the St. Charles Parish Sheriff's Office along with the St. Charles Parish Public School System will be conducting a training exercise at Lakewood Elementary School in Luling, La starting at around noon.

This exercise will consist of blank ammunition being fired, noises which may sound like small explosions, police vehicles, fire trucks, ambulances in and out of the area and a helicopter landing at the school.

This training is being conducted so our officers, fire personnel, medical responders, parish workers and school personnel can better respond to and protect the students and faculty of our schools.

Due to the amount of agencies participating in this training exercise, there may be an increase in traffic around the school. We will do our absolute best to minimize any inconvenience to you during this exercise.

This drill will end at approximately 4:00 pm. If you have any questions or concerns about this training exercise please call Captain Pat Yoes at 985.783.1355. Thank you for your cooperation in this very important matter.
