### 2015 Undercover Operation

Sheriff Greg Champagne reports that the St. Charles Parish Sheriff's Office made 36 arrests in connection with an 11 month undercover operation aimed at targeting street level drug dealers throughout St. Charles Parish. The undercover investigation by the Special Investigations Division of the Sheriff's office began in August 2014 and ended in July 2015.

"Much of the property crimes in St. Charles Parish are linked to the drug trade. Taking these drug offenders off the streets is helpful in curbing crime," said Sheriff Greg Champagne.

The undercover investigation focused on typical street drugs such as marijuana, cocaine and crack cocaine. In addition, there are individuals with active warrants who have not yet been apprehended. The Sheriff's Office continues to investigate these incidents and expect more arrests to follow.
