BODY RECOVERED IN MISSISSIPPI RIVER

Today at approximately 0657 hours, The St. Charles Sheriff's Office was notified by employees of Magnolia Fleet that they were on a barge at Mile Post 122 in the Mississippi River and located a body floating in the water.

The body recovered is believed to be the body of Larrielle Ross of Mississippi, but can't be confirmed until dental records are provided and an autopsy, which will take place on Tuesday morning in New Orleans.

Ross was reported missing on November 2nd while working on a boat that was docked in Norco for the Corps of Engineers MSU

A confirmed identity will be released once we have the results of the autopsy.
