Sheriff Greg Champagne is proud to announce the recent graduation of 4 veteran deputies from the National Command and Staff College.

The International Academy of Public Safety's National Command and Staff College held the organization's first ever 8-week long Leadership Education Program. The graduation on June 15, 2018 placed the "MAGUNS Star Performer" status on 34 Law Enforcement Officers that completed the course. Several awards were given out during the ceremony, which was held at the St. Charles Parish Training Center and Special Services Complex in Luling, Louisiana.

Agencies from around the United States sent employees to the two week portion of the course, held at the St. Charles Parish Sheriff's Office. St. Charles Parish Sheriff's Office had four graduates in the course; Captain George Breedy, Captain Maurice Bostick, Captain Donald Smith, and Lieutenant Walter Fonseca. Captain George Breedy also received a "Capstone Research Award".

All of the graduates of this course will take their learned knowledge and experience back to their respected agencies to share with their co-workers. It was an absolute honor to host this event at the St. Charles Parish Sheriff's Office, and we look forward to a continued partnership with furthering education.
