### Drive Sober or Get Pulled Over

Sheriff Greg Champagne is joining other local law enforcement agencies in participating in the statewide Drive Sober or Get Pulled Over campaign. The campaign aims to educate drivers and focuses on the consequences of driving under the influence by increasing the presence of law enforcement looking for impaired drivers. The Labor Day enforcement period is from August 16, 2024-September 2, 2024.

Driving under the influence in Louisiana remains a significant cause of vehicle crashes, serious injuries, and fatalities. Always have a plan and decide whether you will drive or ride. Have a designated driver before attending an event and stick to the plan. If you don't have a designated driver, call a ride-share.

**Be responsible; don't drive under the influence!**
