Sheriff Greg Champagne is pleased to announce a new, vital piece of equipment added at the St. Charles Parish Sheriff's Office!

The St. Charles Parish Sheriff's Office recently added a Prescription Drug Drop Box inside of the St. Charles Parish Sheriff's Office's Headquarters Lobby.

The goal behind the box is to provide a safe place for citizens to drop off unneeded prescription medication so it can be properly disposed of. Often, prescription medication is kept after it is no longer needed because citizens do not know how to safely dispose of the medication. This creates an easy, question free location for medication to be dropped off. Another added benefit is by utilizing the drop box to dispose of medication, it prevents the medication from falling into the wrong hands.

The box is accessible to the public, Monday through Friday between the hours of 8:00 a.m. and 4:30 p.m., inside of the lobby at 260 Judge Edward Dufresne Parkway in Luling, LA.
