Sheriff Greg Champagne reports that information was received from the DEA in reference to Juan Salinas transporting drugs from Houston to a residence in St. Charles Parish. Further investigation led to a traffic stop on Salinas, where he was found in possession of Marijuana.

A search warrant was then conducted on the residence of Lance Cowans, who was the friend that Salinas was visiting. During the search of the St. Rose residence officers located two handguns, seventeen long rifles, multiple digital scales, material used to package and distribute Marijuana, \$36,880 in U.S. Currency, approximately 79 pounds of Marijuana, and several other controlled dangerous substances.
