Sheriff Greg Champagne reports the arrest of two individuals related to the manufacturing of methamphetamine.

Mr. Ryan Christopher Allen, a male, 42 years of age, of 214 Ellington Street in Luling, LA and his wife, Ms. Kristy Ruth Allen, a female, 37 years of age, of 214 Ellington Street in Luling, LA were both arrested and charged with Creating/Operating a Clandestine Laboratory (2 counts), Possession of Methamphetamine, Possession with the Intent to Use Drug Paraphernalia, Illegal Use of a Controlled Dangerous Substance in Presence of someone Under 17, and Use of a Firearm in Presence of Controlled Dangerous Substances. Both subjects are currently being held at the Nelson Coleman Correctional Center on a \$500,000 bond.

Investigators learned in the early part of December, 2016 that Mr. Ryan Allen and Ms. Kristy Allen were allegedly manufacturing methamphetamine at their residence located at 214 Ellington Street in Luling, Louisiana. During the investigation, enough probable cause was found to obtain a search warrant for the Allen Residence. During the search, evidence consistent with the manufacturing of methamphetamine was located. Investigators also located methamphetamine. It was also learned that Kristy and Ryan Allen's child, a seven year old juvenile, resided at the residence with them. Both subjects were then arrested and booked accordingly.
