Click It or Ticket: Make Seat Belt Use a Daily Habit

Brush teeth, eat breakfast, tie shoes—these are automatic actions taken by millions of Americans every day, often out of habit. Buckling your seat belt should be such an automatic action. In fact, seat belt use should be the automatic next step after sitting down in a vehicle. Whether you ride in the front seat or the back, and no matter which car seat or booster seat your child may use, everyone's seat belt should be buckled every trip.

Once again, St. Charles Parish Sheriff's Office is reminding motorists to *Click It or Ticket*. As part of the national seat belt enforcement campaign, law enforcement agencies around the country will be stepping up enforcement from November 23th –November 29th, 2020. We will be out in full force, cracking down on seat belt violations and issuing citations to anyone caught traveling without a buckled seat belt or transporting unrestrained children.

Remember: The habit of buckling up is as simple as turning on a light switch. It should be an automatic action for you, and for everyone in your vehicle. But if you are caught driving while unbuckled, you will get a ticket—no excuses, no warnings. Wearing your seat belt is required by law. Day and night, front seat and back, ***Click It or Ticket***.
